My one qualification is being somewhat helpful or getting Hal Lawyer to run and bring back your old 5th District once more to the "Ford Column" and I have no regrets in passing up our usual Bayview 4 months summer. (we spent only 6 days there at our cottage covering 3 week ends!) To accomplish this result!

I was at Hal's office every day til his win in the Primary then switched to being recruitment chairman at the Ford Phone Center when it opened.

I had a feeling of Great Pride to march with the "Ford Scatter Blitzers" who lead the Parade down Marine Ave. to the Portland Hotel last Monday morn. to help make that day one of the Highlights of helping give Bath of you one of your finest hours with the People who so dearly love you!!

God Bless Bath of you.  
Sincerely your friends  
Kirk & Betty Kirkpatrick

P.S. you can be intensely Proud of your terrific campaign and you very nearly overcame those impossible odds you had to face but this nations great loss will probably mean an additional 40 years of both your lives for which we are devoutly thankful!!
