Dear President Ford:

On behalf of Farm Bureau members in Michigan, and especially those in Kent and Ionia Counties, I want to say thank you for a job well done as President of our country this past two-and-one-half years.

We express appreciation to you for taking over the Presidency of our great nation at a time of much unrest by the populace and with the office of the President in almost utter despair. Your honesty, integrity and frankness were great attributes to bring with you to this great office.

You have served our country well, restored confidence to the people, kept a steady hand on causes of inflation and economic depression, and in general made us at peace with the World. We think this a great accomplishment for any President. We thank you for a tough job well done.

Naturally, we were disappointed in the election, but you can be assured that Farm Bureau members in Michigan wanted you as their President for the next four years. They felt you were doing a good job and that you sincerely believed in the principles and philosophies on which the Farm Bureau organization was founded and has operated by for over a half century.

We are pleased to have Mr. Sawyer in your former Fifth Congressional seat and look forward to working with him.

Sincerely,

Elton
