INTRODUCTION

Wolfgang Lehmann had a long and distinguished career in the Foreign Service, but the photographs in this collection focus on the time he spent in South Vietnam between 1973 and 1975. In his last year in Saigon he was deputy to Ambassador Graham Martin.

The photographs in this collection are copies of photos compiled in a scrapbook by Mr. Lehmann. They do not represent all of the photos in the book. Rather, they illustrate activities by Lehmann as Martin's deputy. The audiovisual archivist elected not to copy group shots of guests at embassy parties. Researchers may ask to see a photocopy of the entire scrapbook.

Since the Library does not have actual photographs but contact prints, the images are stored in 4x5 polyethylene sleeves.
